

TRAVEL INSURANCE GUIDE
AND POLICY WORDING

VERSION 03/2020

Your Snowcard Insurance Policy

YOUR DEMANDS AND NEEDS

This policy is intended for persons travelling on recreational activity holidays. Your demands and needs are those of a traveller requiring emergency medical, rescue and repatriation cover. You may also wish to insure your personal belongings and/or certain travel contingencies such as cancellation, delay or missed departure. It covers many eventualities but not necessarily all risks you may encounter.

Thanks to the loyal support of our valued clients over the years Snowcard is now established as one of the leading specialist activity travel insurance providers.

Travel Insurance has often been trivialised and its importance should never be underestimated. Of all of the kit you buy for your chosen activity, your travel insurance should be looked at as one of the most important items.

Thank you for continuing to support our scheme, which exists to support your needs.

Contract of travel insurance

IMPORTANT INFORMATION

PLEASE READ ALL OF THIS POLICY CAREFULLY, ESPECIALLY THE IMPORTANT INFORMATION REGARDING PRE-EXISTING MEDICAL CONDITIONS ON PAGE 7

You must meet the conditions or your claim will not be accepted. This policy will not cover you for all eventualities.

LIMIT OF COVER

Each section of the personal insurance cover shows the most you can claim, but other limits may apply. For example, under the Personal Belongings section, the overall limit is stated on the insurance schedule but there is a limit of £350 for any single item and a total limit of £350 for all valuables. The limits of cover apply to each individual person and each insured trip separately. We will work out how much we will pay you for baggage claims based on the value of the items at the time of the loss, not the cost of replacing them. The limits of cover apply to each trip separately.

LOOKING AFTER YOUR BELONGINGS

Many claims for loss or theft are caused by people being careless with their belongings.

BALCONY EXCLUSION

We will not cover any claim related to you falling as a result of you climbing or moving around the outside of any building (apart from access ways), sitting, planking, balconing, owling or lying on any part of any building, and you jumping from any height (unless in an attempt to save someone's life).

ALCOHOL AND DRUG EXCLUSION

We will not cover any claim as a result of:

- a. the effect of your alcohol, solvent or drug dependency or long term abuse
- b. You being under the influence of alcohol, solvents or drugs, or doing anything as a result of using these substances (this excludes drugs prescribed by a GP, unless they are for the treatment of drug addiction).

DANGEROUS ACTIVITIES

If you are going to take part in any activity which may be considered dangerous, please read the activities list (see www.snowcard.co.uk) to make sure your activity can be covered. If your activity is not mentioned please contact Snowcard Insurance Services Ltd to confirm whether or not you can be covered.

PREMIUM REFUND

If you are not satisfied with this policy and have not taken a trip protected by the cover provided and have not made a claim against the policy and; there has been no incident likely to give rise to a claim (such as the cancellation of a booked trip), you can cancel this policy within 14 days from the date you receive the policy wording and policy schedule. We will then refund your premium in full (less Snowcard's cancellation administration charge). We will not refund your premium after the 14 day period. If you have a single trip policy, we will only refund your premium if the period from the date we issued the policy until your scheduled return

date home is greater than 28 days. For both single trip and annual multi trip no refund of premium will be available after the 14 days. If you want to cancel your policy please contact Snowcard Insurance. We or anyone we authorise have the right to cancel this policy at any time by sending you fourteen days' notice in writing where there is a valid reason for doing so. We will send the notice to the last known address we have for you and we will set out the reason for cancellation in our letter. Valid reasons may include but are not limited to:

- Changes to the information given at the point of purchase which may result in the risk no longer being acceptable to us.
- Where we suspect fraud on this or any other related policy.
- Where a misrepresentation has been made that means we no longer wish to provide cover.

As long as you have not made a claim, we will refund you for the time that was left on your policy. If any claim has been made during the period of cover provided, you must pay the full premium and you will not be entitled to any refund.

EXCESSES

We will take off an excess (as stated on the insurance schedule) from each claim you make, per insured person, under certain sections of this insurance policy, unless you have paid the additional premium to remove the policy excess. The amount you will have to pay towards a claim is shown under each section. Please note that if you pay an additional premium to reduce or remove the excess, this does not apply to the Personal Liability section, where the excess shown will continue to apply. If we agree to a medical expenses claim which has been reduced because you have used an EHIC, or private health insurance, or through a reciprocal health agreement, you will not have to pay the excess under that section.

MAKING A CLAIM

To help us deal with your claim quickly and efficiently, please read the claims procedure on page 17 of the general conditions. This explains what documents you will need to support your claim. You must collect some of the proof you need, for example a police report, while you are away from home. The general condition on page 17 explain when you will need this kind of proof.

GEOGRAPHICAL LIMITS

EUROPEAN REGION – covers the UK, Europe including Scandinavia. Also, Turkey, Egypt, Tunisia and Morocco and countries bordering the Mediterranean including the Canaries and the Azores.

WORLDWIDE excluding USA, Canada and the Caribbean – covers all other countries in the world.

WORLDWIDE including USA, Canada and Caribbean - all countries in the world including the United States of America, Canada and the Caribbean.

We do not offer expedition cover to either the North or South Poles. All other expeditions to remote regions are subject to individual quotes and require a full detailed submission of the expedition itinerary before the risk is accepted. Please email your expedition itinerary including guiding arrangements, your experience, emergency provisions and expedition objectives to assistance@snowcard.co.uk

WHAT TO DO IN A MEDICAL EMERGENCY

In a medical emergency, contact International Medical rescue for help. Please read the back of this policy for details and refer to your Snowcard assistance card, which shows the 24 hour emergency help telephone number to call from abroad.

LOSS PREVENTION ADVICE

Although the full claims procedure is detailed on page 17 please note the following points:

01. In the event of loss or theft, report the event to the police or an appropriate authority within 24 hours and obtain a report. Failure to do so can prejudice a claim.
02. If baggage is damaged or delayed in transit, obtain a loss report from the baggage handlers BEFORE leaving the airport.
03. If you carry outside baggage like bikes, skis, golf clubs etc, check for damage before leaving the airport, it is almost impossible obtaining a damage report once you are home which may mean you will not be able to make a claim.
04. If you self elect to cut short your holiday without obtaining a medical report or authorisation from your insurer, you may not be covered for curtailment costs. Always obtain agreement prior to coming home early.
05. Keep all receipts for medical and other expenses. Also keep your travel tickets and any other documents relating to your holiday, they may be required in the event of a claim.
06. Do not leave valuables, money, cameras, electrical equipment etc unattended or in a car or tent. They will not be covered.
07. Ensure when you leave for home you pack your bags and do not leave personal effects behind. Simply forgetting to bring home your belongings is not covered.
08. Your insurance will only cover genuine accidental loss or damage and not wear and tear, negligent or deliberate acts. Abuse of travel insurance is a big problem for insurers so keeping your claims to genuine losses will help keep premiums at a realistic level.

Definitions

Wherever the following words and phrases appear in this policy they will always have the meanings shown below.

PERIOD OF INSURANCE:

Other than for annual multi-trip insurance, insurance cancellation cover (if shown on your insurance schedule) starts on the date of issue shown on your Insurance Schedule. All other cover begins when you leave home to go on your trip and lasts until you return home, as long as that is within the period of insurance paid for.

For **annual multi-trip insurance**, cancellation cover (if shown on your insurance schedule) starts when you book each trip or on the start date shown on your Insurance Schedule, if this is later. Cover under all other sections of the policy begins when you leave home to go on your trip and ends when you return home from that trip. The start and finish dates of the trip must fall within the 12 month period of insurance. For trips booked during the 12 month period and that start after the end of the 12 month period, we will provide cancellation cover until the policy ends.

For **single trip policies**, the insurance for personal belongings and equipment, techno pack, trip cancellation, travel delay, missed departure and travel disruption is only valid if you have insured the whole duration of each individual trip, as shown on your policy schedule. If you are insuring a shorter period than your full trip duration, only the medical and accident expenses section will apply. We will not be liable for expenses incurred for any accident, injury or illness that did not occur within the dates specified on the schedule of insurance. We will not be liable for any expenses incurred after the expiry date shown on the schedule of insurance.

Trips in the United Kingdom are only covered when there is at least one night's accommodation which you have booked and paid for in advance.

EXTENSION:

We will extend the period of insurance by up to 30 days at no extra cost if you have to stay away longer because of events which you have no control over.
