## Travel insurance guide and policy wording

Version 10/2022 v2

## Your Snowcard Insurance Policy

Snowcard policies are intended for persons travelling on recreational adventure or activity holidays requiring emergency medical, rescue and repatriation cover. Snowcard policies also insure your personal belongings, equipment and/or certain travel contingencies such as cancellation, delay or missed departure. Snowcard policies cover many eventualities but not necessarily all risks you may encounter. Please therefore read this policy carefully to ensure you understand the insurance cover provided.

Travel Insurance has often been trivialised and its importance should never be underestimated. Of all of the kit you buy for your chosen activity, your travel insurance should be looked at as one of the most important items.

Thank you for continuing to support our scheme, which exists to support your needs.

# Contract of travel insurance

## Important information

**Please read all of this policy carefully, especially the health statement and health exclusions on page 7.**

You must meet the conditions or your claim will not be accepted. This policy will not cover you for all eventualities.

### Limit of cover

Each section of the personal insurance cover shows the most you can claim, but other limits may apply. For example, under the Personal Belongings section, the overall limit is stated on the insurance schedule but there is a limit of £350 for any single item and a total limit of £350 for all valuables. The limits of cover apply to each individual person and each insured trip separately. We will work out how much we will pay you for baggage claims based on the value of the items at the time of the loss, not the cost of replacing them. The limits of cover apply to each trip separately.

### Adventure activities

If you are going to take part in any sporting or adventure activity, please read the activities list (see <https://www.snowcard.co.uk/activities-covered>) to make sure your activity can be covered. If your activity is not mentioned please contact Snowcard Insurance Services Ltd to confirm whether or not you can be covered.

### Premium refund

If you are not satisfied with this policy and have not taken a trip protected by the cover provided and have not made a claim against the policy and there has been no incident likely to give rise to a claim (such as the cancellation of a booked trip), you can cancel this policy within 14 days from the date you receive the policy wording and policy schedule. We will then refund your premium in full.

We will not refund your premium after the 14 day period. If you want to cancel your policy please contact Snowcard Insurance.

We or anyone we authorise have the right to cancel this policy at any time by sending you fourteen days notice in writing where there is a valid reason for doing so. We will send the notice to the last known address we have for you and we will set out the reason for cancellation in our letter. Valid reasons may include but are not limited to:

- Changes to the information given at the point of purchase which may result in the risk no longer being acceptable to us.
- Where we suspect fraud on this or any other related policy.
- Where a misrepresentation has been made that means we no longer wish to provide cover.

As long as you have not made a claim, we will refund you for the time that was left on your policy. If any claim has been made during the period of cover provided, you must pay the full premium and you will not be entitled to any refund.

### Excesses

We will take off an excess (as stated on the insurance schedule) from each claim you make, per insured person, under certain sections of this insurance policy, unless you have paid the additional premium to remove the policy excess. The amount you will have to pay towards a claim is shown under each section. Please note that if you pay an additional premium to reduce or remove the excess, this does not apply to the Personal Liability section, where the excess shown will continue to apply.

### Reciprocal health arrangements

European/Global Health Insurance Card (EHIC/GHIC)

- If you already have a valid EHIC, it will continue to entitle you to reduced-cost, sometimes free, medical treatment that becomes necessary while you are in a European Economic Area (EEA) country or Switzerland. The EEA consists of the European Union (EU) countries plus Iceland, Liechtenstein and Norway. Cover will end on the expiry date of your EHIC.
- If you do not have a valid EHIC or it is due to expire before you travel, you can apply for a GHIC. This entitles you to reduced-cost, sometimes free, medical treatment that becomes necessary while you are in a European Union (EU) country.
- These cards give access to state-provided medical treatment only. Remember, this might not cover all the things you would expect to get free of charge from the NHS in the UK. You may have to make a contribution to the cost of your care.
- You may apply for an GHIC online at [www.ghic.org.uk](http://www.ghic.org.uk) or by calling: 0300 330 1350.

**NOTE:** The EHIC/GHIC do not cover the cost of medical treatment in a private hospital or clinic, the additional cost of returning to your home country or for a close relative to stay or fly out to be with you. In a medical emergency you may have no control over the hospital you are taken to or the closest hospital may be private.

#### Australia

- If you are travelling to Australia you should enrol in Medicare which will entitle you to subsidised hospital treatments and medicines. You can do this by contacting a local Medicare office in Australia.
- All claims for refunds under the Medicare scheme must be made before you leave Australia. For more information on Medicare visit: [www.medicareaustralia.gov.au](http://www.medicareaustralia.gov.au) or email: [medicare@medicareaustralia.gov.au](mailto:medicare@medicareaustralia.gov.au).

If you make use of these arrangements or any other worldwide reciprocal health arrangement which reduces your medical expenses, you will not have to pay an policy excess under Medical, repatriation and other expenses section.

### Making a claim

To help us deal with your claim quickly and efficiently, please read 'Making a claim' on page 16. This section explains what documents you will need to support your claim. You must collect some of the proof you need, for example a police report, while you are away from home. It also explains when you will need this kind of proof.

### Geographical limits

EUROPEAN REGION – covers the UK, Europe including Scandinavia. Also, Turkey, Egypt, Tunisia and Morocco and countries bordering the Mediterranean including the Canaries and the Azores.

WORLDWIDE excluding USA, Canada and the Caribbean – covers all other countries in the world.

WORLDWIDE including USA, Canada and Caribbean - all countries in the world including the United States of America, Canada and the Caribbean.

### Specialist expeditions

We do not offer expedition cover to either the North or South Poles. All other expeditions to remote regions are subject to individual quotes and require a full detailed submission of the expedition itinerary before the risk is accepted. Please email your expedition itinerary including guiding arrangements, your experience, emergency provisions and expedition objectives to [assistance@snowcard.co.uk](mailto:assistance@snowcard.co.uk)

### What to do in a medical emergency

In a medical emergency, contact our 24-hr Emergency medical assistance service for help. Please read the back of this policy for details and refer to your assistance eSnowcard which shows the telephone number to call from abroad.

### Trip limits

#### For single trip insurance

Trips of up to 90 days can be covered depending on the policy duration you purchase.

#### For annual multi-trip insurance

Any number of trips can be taken in the 12 month policy period subject to a 31 day single trip limit. The single trip limit can be extended to 45, 60 or 90 days subject to the payment of an additional premium.

#### Winter sports cover on annual multi-trip insurance

Depending on the cover level selected the number of days covered for winters sports is 28 days up to a maximum of 90 days. Refer to [www.snowcard.co.uk/content/winter-sports-cover-multi-trip-policies](http://www.snowcard.co.uk/content/winter-sports-cover-multi-trip-policies) for further information.

## Loss prevention advice

Although the full claims procedure is detailed on page 17 please note the following points:

01. In the event of loss or theft, report the event to the police or an appropriate authority within 24 hours and obtain a report. Failure to do so can prejudice a claim.
02. If baggage is damaged or delayed in transit, obtain a loss report from the baggage handlers BEFORE leaving the airport.
03. If you carry outsize baggage like bikes, skis, golf clubs etc, check for damage before leaving the airport, it is almost impossible obtaining a damage report once you are home which may mean you will not be able to make a claim.
04. If you choose to cut short your holiday without obtaining a medical report or authorisation from your insurer, you may not be covered for curtailment costs. Always obtain agreement prior to coming home early.
05. Keep all receipts for medical and other expenses. Also keep your travel tickets and any other documents relating to your holiday, they may be required in the event of a claim.
06. Do not leave valuables, money, cameras, electrical equipment etc unattended or in a car or tent. They will not be covered.
07. Ensure when you leave for home you pack your bags and do not leave personal effects behind. Simply forgetting to bring home your belongings is not covered.
08. Your insurance will only cover genuine accidental loss or damage and not wear and tear, negligent or deliberate acts. Abuse of travel insurance is a big problem for insurers so keeping your claims to genuine losses will help keep premiums at a realistic level.

You must also provide written confirmation from the carrier or handling agent that tracing procedures have been completed and your belongings are now considered to be permanently lost. ## 24-hr Emergency medical assistance

In a medical emergency call:

**Allianz Assistance**  
**+44 (0)208 603 9693**

EMAIL: [medical@allianz-assistance.co.uk](mailto:medical@allianz-assistance.co.uk)

Please tell us immediately about any serious illness or accident abroad where you have to go into hospital or you may have to return home early or extend your stay because of any illness or injury. If you are unable to do this because the condition is life, limb, sight or organ threatening, you should contact us as soon as you can.

You must also tell us if your medical expenses are over £500. If you are claiming for a minor illness or accident you should, where possible, pay the costs and reclaim the money from us when you return. You can call 24 hours a day 365 days a year or email.

Please give us your age and your insurance booking or validation certificate number. Say that you are insured with Snowcard 7777TVL 09/22. Below are some of the ways the 24-hour medical emergency assistance service can help.

### Confirmation of payment

We will contact hospitals or doctors abroad and guarantee to pay their fees, providing you have a valid claim. We may require written consent to contact your doctor to obtain details of any past medical history specifically relating to your claim.

### Repatriation

If our medical advisers think it would be in your medical interests to bring you back to your home or to a hospital or nursing home in your home country, you will normally be transferred by regular airline or road ambulance. Where medically necessary in very serious or urgent cases, we will use an air ambulance.

We will consult the treating doctor and our medical advisers first. If you need to go home early, the treating doctor must provide a certificate confirming that you are fit to travel. Without this the airline can refuse to carry any sick or injured person.

You can contact us at any time, day or night. You will be answered by one of our experienced assistance co-ordinators who you should give all relevant information to. Please make sure you have details of your policy before you phone.

NOTE: Failure to contact the medical emergency assistance service to obtain our authorisation may result in your claim being reduced or declined.
